HOLIDAY ISLES ELKS 1912

Exalted Ruler 2022-2023..... RICH HUEY, ER

Greetings from your Exalted Ruler,

It's been a busy month with the budget being approved and a loan process starting for our seawall replacement. Also, as I write this letter to you from my hospital bed, I want to thank our Leading Knight Paul Smith, for helping me with my workload as I recover from surgery. While I'm recovering, please direct any questions and concerns to Paul. You will know when I'm back!

I hope everyone enjoyed the Easter holiday and were able to take time to reflect what this holiday truly means.

Our lodge continues to grow with 36 new members for the month of April. I would encourage you to spread the word on what it means to be an Elk. Bring a friend or neighbor to the lodge to see what we are all about. The stronger we are as a fraternal organization the more we can do for our community.

Please be sure to attend our Mother's Day Service at 1PM on May 8th which is where we recognize our mother's past and present. May 14th there will be a fundraiser for the Fisher House, please see details in the Antlergram and weekly Blasts for more information. The Florida Elks State Convention is in Orlando from May 26-29th. This convention is open to ALL Elks members. If you are interested in attending, please go to Flelks.org for registration and information.

We are always looking for members to host events to raise money for the lodge. If you think you can help host an event, please contact House Committee Chairman Gary Youngblut. You can call the office for his contact information or leave your information with the office.

Fraternally,
Rich Huey
Exalted Ruler

ELEVEN O'CLOCK TOAST

YOU HAVE HEARD THE TOLLING OF 11 STROKES. THIS IS TO REMIND US THAT WITH ELKS, THE HOUR OF 11 HAS A TENDER SIGNIFICANCE. WHEREVER ELKS MAY ROAM, WHATEVER THEIR LOT IN LIFE MAY BE, WHEN THIS HOUR FALLS UPON THE DIAL OF NIGHT, THE GREAT HEART OF ELKDOM SWELLS AND THROBS. IT IS THE GOLDEN HOUR OF RECOLLECTION, THE HOMECOMING OF THOSE WHO WANDER, THE MYSTIC ROLL CALL OF THOSE WHO WILL COME NO MORE. LIVING OR DEAD, ELKS ARE NEVER FORGOTTEN, NEVER FORSAKEN. MORNING AND NOON MAY PASS THEM BY, THE LIGHT OF DAY SINK HEEDLESSLY IN THE WEST, BUT ERE THE SHADOWS OF MIDNIGHT SHALL FALL, THE CHIMES OF MEMORY WILL BE PEALING FORTH THE FRIENDLY MESSAGE. "TO OUR ABSENT MEMBERS"

ORIGINAL JOLLY CORKS TOAST WAS:

NOW IS THE HOUR WHEN ELKDOM'S TOWER IS DARKENED BY THE SHROUD OF NIGHT, AND FATHER TIME ON HIS SILVER CHIME TOLLS OFF EACH MOMENT'S FLIGHT. IN CLOISTERED HALLS EACH ELK RECALLS HIS BROTHERS WHERE'ER THEY BE, AND TRACES THEIR FACES TO WELL-KNOWN PLACES IN THE ANNALS OF MEMORY. WHETHER THEY STAND ON A FOREIGN LAND OR LIE IN AN EARTHEN BED, WHETHER THEY BE ON THE BOUNDLESS SEA WITH THE BREAKERS OF DEATH AHEAD. WHATE'ER THEIR PLIGHT ON THIS EERIE NIGHT WHATE'ER THEIR FATE MAY BE, WHERE EVER THEY ARE BE IT NEAR OR FAR THEY ARE THINKING OF YOU AND ME. SO DRINK FROM THE FOUNTAIN OF FELLOWSHIP TO THE BROTHER WHO CLASPED YOUR HAND, AND WROTE YOUR WORTH IN THE ROCK OF EARTH AND YOUR FAULTS UPON THE SAND. "TO OUR ABSENT BROTHERS" -

ORIGIN OF THE TOAST In regard to the Elks' 11 O' Clock Toast and its origin, we have to go back long before the BPOE came into existence. One of the main contributions of Charles Richardson -- in stage name of Charles Algernon Sidney Vivian and founder of the American branch of the **Jolly Corks** -- was to deliver in the hands of newborn Elks the rituals and traditions of a fraternal organization started in England around 1010 A.D., the Royal and Antediluvian Order of Buffaloes, to which he belonged prior to coming to New York. The RAOB, or Buffaloes as we shall henceforth refer to them, also practiced an 11 o'clock toast in remembrance of the Battle of Hastings in October of 1066. Following his victory, William of Normandy imported a set of rules, both martial and civil in nature, to keep control of a seething Norman-Saxon population always on the edge of a revolution. Among those rules was a curfew law requiring all watch fires, bonfires (basically all lights controlled by private citizens that could serve as signals) to be extinguished at 11 each night. From strategically placed watchtowers that also served as early fire-alarm posts, the call would go out to douse or shutter all lights and bank all fires. This also served to discourage secret and treasonous meetings, as chimney sparks stood out against the black sky. A person away from his home and out on the darkened streets, when all doors were barred for the night, risked great peril from either evildoers or patrolling militia. The hour of 11 quickly acquired a somber meaning, and in the centuries that followed, became the synonym throughout Europe for someone on his deathbed or about to go into battle: i.e. "His family gathered around his bed at the 11th hour," or "the troops in the trenches hastily wrote notes to their families as the 11th hour approached when they must charge over the top." Thus, when the 15 Jolly Corks (of whom seven were not native-born Americans) voted on February 16, 1868, to start a more formal and official organization, they were already aware of an almost universally prevalent sentiment about the mystic and haunting aura connected with the nightly hour of 11, and it took no great eloquence by Vivian to establish a ritual toast similar to that of the Buffaloes at the next-to-last hour each day. The great variety of 11 O' Clock Toasts, including the Jolly Corks Toast, makes it clear that there was no fixed and official version until 1906-10. Given our theatrical origins, it was almost mandatory that the pre-1900 Elks would be expected to compose a beautiful toast extemporaneously at will. Regardless of the form, however, the custom is as old as the Elks. At every meeting of the BPOE, and every social function, when the hour of 11:00 p.m. tolls, the Lodge conducts a charming ceremonial known as the "Eleven O'clock Toast." In fact, the clock tolling the eleventh hour is part of the BPOE official emblem, and is directly behind the representation of an elk's head in the emblem of the Order. Regular meetings of Subordinate Lodges have always been held at night. In the earlier days, they were usually held on Sunday nights and were concluded about eleven o'clock. As the participants departed, the Brothers made inquiries about the absent Brothers and expressed sympathetic interest in the causes of their absence. It soon became a custom for some member to propose a toast to the Brothers who were not present. And in the course of time, this custom was quite generally observed whenever a group of Elks were together at eleven o'clock. Eventually, the Grand Lodge specifically provided for such a ceremony to be observed during Lodge sessions; and designated it as "The Eleven O'clock Toast". Under this provision, whenever a Lodge was in session at that hour, the regular order of business was suspended for a few moments while the Exalted Ruler recited the beautiful ritual prescribed, concluded with the words: "To our absent Brothers". Since women were permitted to join the Elks since 1995, the toast is now pronounced as "To our absent Members."

Together We Can Do Great Things

Of everything that the Florida Elks do, perhaps nothing is more important than our work with the state's youth. Sowing the seeds of accomplishment and commitment through our Florida Elks Children's Therapy Services and Florida Elks Youth Camp programs, children are given the opportunity to grow and learn beyond their dreams.

The trust fund started in 1951, was named after Harry and Anna Miller who donated land and a building to establish the original Florida Elks Hospital for Crippled Children. Its purpose was, and continues to be, the collection of donations and the acceptance of endowed gifts.

The trust fund is restricted, which means that only the income derived from it may be used to support our major projects: the Florida Elks Children's Therapy Services and Florida Elks Youth Camp programs.

Federal Tax Savings

Who Are the Elks?

Elks Lodges bring so much more to their communities than just a building, golf course or pool. They are places where neighbors come together, families share meals, and children grow

Since 1868, millions and millions of Americans have joined the Elks. Find out why!

<https://www.youtube.com/embed/LVRijEUTVro?autoplay=1>

Our History

The moving spirit for the Elks was an Englishman named Charles Algernon Sidney Vivian. Born October 22, 1842, this son of a clergyman was a successful comic singer and dancer in the music halls of London. In November 1867, Vivian arrived in New York City to try his fortune.

Other actors and entertainers soon gravitated toward his magnetic personality. With everything closed on Sunday because of New York City Blue Laws, a group of theatrical people began meeting for their own amusement under Vivian's leadership. A loose organization was formed to make sure the larder was well-stocked for these gatherings. They called themselves the Jolly Corks, a name derived from a trick introduced by Vivian in which the uninitiated purchased a round of refreshments.

When one of their members died shortly before Christmas in 1867, leaving his wife and children destitute, the Jolly Corks decided that in addition to good fellowship, they needed a more enduring organization to serve those in need.

On February 16, 1868, they established the Benevolent and Protective Order of Elks and elected Vivian to head it. Its social activities and benefit performances increased the popularity of the new Order. Membership grew rapidly. Elks traveling to other cities spread the word of the Brotherhood of Elks. Soon there were requests for Elks Lodges in cities other than New York. In response to these appeals, the Elks asked the New York State legislature for a charter authorizing the establishment of a Grand Lodge with the power to establish local Lodges anywhere in the United States. When the Grand Lodge Charter was issued, the founders then received the first local charter as New York Lodge No. 1 on March 10, 1871.
